License Taxes Overdue.

The time to pay license taxes of all kinds expired yesterday. About \$7,000 was taken in by the city clerk and receiver. All saloon, vehicle and other licenses expired at midnight, and those who have not yet renewed will have to quit business until they do so. There are still a number of saloon licenses in the clerk's hands.

Some More Hot Weather.

Yesterday was about such a day as Sunday. The mercury got up to 92 in the shade at Schaeff's, and the sun beat down fiercely all day, though there were a few clouds at intervals. Last evening lightning played along the southern horizon, but none of the storm reached the city. Complaints are heard from all parts of the country that the dust is terrible, and farm work can scarcely go on on account of the dryness of the soil.

At Clerk Hook's Office.

C. S. Terrill was yesterday appointed administrator of the estate of Elijah Marling, deceased, and gave bond in \$2,000, with D. M. and D. S. Thornburg as sureties.

Emma Plues was appointed administratrix of the estate of John Plues, deceased, and gave bond in \$1,000, with George Goeglein as surety.

Fred G. Rapp, aged 24, and Minnie Krauss, aged 21, both of this city, were licensed to wed.

An Old Resident Dead.

Squire Thomas S. Mitchell, aged eighty-seven years, died yesterday morning at 10:45, at the residence of his son, James S. Mitchell, in Martin's Ferry. His father, John Mitchell, was one of the pioneers of this township, he buying a farm from the government in 1790. He was justice of the peace for twelve years and county surveyor six years. He was a member of the U. P. church for many years.

The surviving children are David and James and Benjamin Mitchell, of Martin's Ferry; Mrs. F. Amos, of St. Clairsville and Mrs. Samuel McConnell of Mt. Pleasant.

Death of Mr. James Kennedy.

James Kennedy, sr., an old resident of the city, who died on Friday, was buried Sunday afternoon from his residence on the Island. He was a resident of the Sixth ward for twenty-six years, where he was well and favorably known. About two years ago he moved to the Island, where he had built a new and fine residence, and his sickness dates from that time, and had confined him to his house ever since. He was a man of quiet disposition and well liked by all who knew him. He was the father of James Kennedy, jr., of the Warwick pottery, and William Kennedy, of the Riverside Iron works, Benwood.

In the Circuit Court.

In Judge Paul's court the case of Klives, Kraft & Co. vs. S. S. Bloch yesterday entered upon its third week, and it is said it will probably occupy all the rest of this week.

In Judge Campbell's court in the case of J. H. Pipes, survivor, etc., vs. Frederick Neumann, the sale was confirmed.

In the divorce suit of Henry Mull vs. Kate M. Mull an order was entered for the payment of certain money to be used in paying attorney's fees.

THE GRAND JURY

Seems to be After the Athletic Clubs—Not Done Yet.

The May term of the criminal court opened yesterday, Judge T. J. Hugus on the bench. The grand jury was impaneled and sworn, as follows: Messrs. George Otto, David Arndt, Thomas O'Brien, John Bodley, Charles Copp, S. Kinchelee, James McGinley, Jacob Morris, W. H. Handlan, H. Wolf, F. Nolte, Louis Schau, A. McCulloch, J. W. Nicholas, J. Voelker and J. A. Hand. Judge Hugus delivered the usual formal charge to the jury, calling their attention to special statutes, and among other things he referred to the prevalence of policy playing in Wheeling, saying that this was the meanest form of gambling.

The grand jury spent the entire day in examining witnesses, and about 5 o'clock adjourned until this morning without having finished its work. No report of progress was made, but from the kind of witnesses who were examined last evening it is believed the jury is investigating the "glove contests" which have come off in Ohio county, to see if they come within the provisions of the law against prize fighting.

THE ELDER CLAIM

Comes up Before the Council Committee once Again.

A meeting of the council committee on claims was held last night to hear the report of Engineer White and Mr. Britt, a sub-committee appointed to examine the property of Samuel Elder, on Eighteenth street, which he claims was damaged by a fill.

Colonel White, who appeared for Mr. Elder, was asked by Mr. Butts what damages were claimed.

Colonel White—Well, we want \$2,500.

Mr. Butts—You won't get twenty-five cents. I wouldn't give \$2,500 for the whole ball o' wax.

Colonel White—Then I guess I'd better bring suit to-morrow.

Mr. Butts—I'd as soon see it in court as not.

After some remarks by others, rather tending to belittle this and other similar claims, Mr. Britt said the matter ought to be referred to the committee on streets, alleys and grades and the board of public works, with instructions to establish the line and grade to it. Then the real situation of the property alleged to be damaged could be seen.

The committee finally adjourned without final action.

WILL RE-OPEN TO-DAY.

The Library Reading Room to Open. School Next Week.

The smallpox scare having about died out the city board of health has announced that the public library reading room may re-open to-day. In accordance with this action the reading room will be open to-day. No books will be given out in the library, however, to be taken away, nor will any that are now out be received until further notice. The public scarcely realized what a convenience the reading room was until it was closed.

Superintendent Anderson, of the city schools, said yesterday that if no new cases of smallpox developed this week the schools would all open next Monday morning. The danger seems, so far as can be judged now, to be entirely past.

A Remarkable Cure of Rheumatism.

From the *Graphic*, Connecticut, Review.

David Lewis, who has been afflicted all winter by rheumatism, is out again and all due to one of the medicines advertised in our columns. After trying everything possible, he used Chamberlain's Pain Balm, which has relieved him of all pain, from which he was a constant sufferer, and promises to make him fit for duty soon. We know David has been a great sufferer and are glad to see him around again.

FINE SUITS—THE HUB CLOTHIERS.

## At The Very Top!

If you're up or down our way to-day look in our big Market and Fourteenth street window and see that array of

## \$10 and \$12 Men's Suits.

They're the product of years of experience. To quote an old saying, "There's plenty of room at the top," but it's because there are so few to occupy it. No house that has to pay the manufacturer a big profit on account of their inability to plank down the spot cash for large quantities can afford to sell such Suits for \$10 and \$12. Many a man we used to sell \$20 Suits to means our \$10 and \$12 ones now. That's what a big business and spot cash has done—cheapened satisfaction—made the goods better. Every Suit in the lot is a living witness to it.

Talk about variety—let 'em all toot their horns—even if they have not a fish to sell—every blast helps us—gets folks to thinking—gets 'em to looking—and when you look through their stock and ours, their handful of \$10 and \$12 Suits—and our tablefuls—as many at \$10 and \$12 as others have got at every price—the hunt is over, satisfaction is found—and it's HERE. It don't make any difference to us—you know what a Suit costs. There's no reason why it shouldn't fit. It isn't worthy a moment's consideration if it doesn't, and just as perfectly as the highest price in stock. Unless you're satisfied to keep the Suit we don't want to keep the money.
